John Wiley and Sons Ltd, United Kingdom, 2011. Hardback. Condition: New. New. Language: English . Brand New Book. Written to help auditors jump start their organization s near real-time financial data monitoring and sharing capabilities, *Harnessing the Power of Continuous Auditing* provides step-by-step instruction on how to build, market, implement, and manage a successful continuous auditing program. Taking concept to reality, author and internal audit expert Robert L. Mainardi presents auditors, company executives, business unit managers, practitioners, and consultants with a complete road map to continuous auditing, from start to finish. Beginning with a thorough definition of the subject, Mainardi debunks the various myths surrounding the process?including the most common misperception that the internal audit department must have the corresponding automated technology to support it?and includes numerous documented proven techniques and instructions for more effective SOX work. A vital tool to enhance the auditor s skills and abilities, *Harnessing the Power of Continuous Auditing* s exhaustive coverage includes: * The definition of continuous auditing * Where to begin * Methodology development * Preparing for continuous auditing * Root cause analysis * Action plans * Problem-solving tools * Lessons learned * Selling continuous auditing * Conditions and challenges This all-in-one handbook of practical execution provides much-needed, accessible guidance on everything business professionals need to know to conduct and implement a successful continuous audit in their organizations.
