Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

But when Grace shows up at her doorstep sobbing Suzanne's the first to admit she's glad the relationship is over. She's also the first to spot the footprints leading to Peter's dead body Instead of the usual morning donuts, the police are busy rounding up suspects and sifting through clues: Why did Peter splash yellow paint on Suzanne's shop window before he was murdered? How angry was Grace when she learned that her boyfriend was two-timing (or three- or four-timing)? Suzanne is willing to bet dollars to donuts that her friend is innocent. Now she has to prove it before the real killer takes a powder.
