THE ECONOMIC SECURITY OF BUSINESS TRANSACTIONS: MANAGEMENT IN BUSINESS (PAPERBACK)

Chartridge Books Oxford, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Summary The Economic Security of Business Transactions covers such aspects as: management in the economic system; commercial risk in domestic and international transactions; an assessment of partners; unofficial economy and the state budget; economic security business; the role and importance of law in business. The book looks at the threats and risks arising from international trade and operating leading businesses, plus the role of the State. It examines the required new forms, methods and approaches for management. This has significant implications for the businesses concerned and the State's role. This book is an attempt to point to the example of single countries, the European Community, and on a global scale - what is the efficiency of national economic systems and how the associated risks impact upon economic trade disorders. The Editors Konrad Raczkowski is Professor of Management, who specializes in the unofficial economy, public finances and management in the economic system. He is a Director of Economic Institute in University of Social Sciences in Warsaw; he was Head of the Department of the Economic Security Management. Between 2003 and 2013 he worked in the finance department. He was also the advisor and consultant to governmental institutions, entrepreneurs and the European Anti-Fraud Office in Brussels (OLAF). He has qualifications as an internal auditor of integrated management systems. Professor Raczkowski is a member of British Academy of Management and since 2008 he has been an associate of the Institute for Security and Development Policy in Stockholm. Friedrich Schneider is Professor of Economics at the Department of Economics at the Johannes Kepler University of Linz in Austria. He is recognized as a leading authority in the field of studies on the shadow world...
