Alfred A. Knopf Inc., New York, 2006. Hardcover. Condition: New. Dust Jacket Condition: New. First American Edition. x + 481 pp. Brown cloth over blue boards; silver titles. "In Victorian England there was only one fail-safe authority on matters ranging from fashion to puddings to scullery maids: Beeton's Book of Household Management. In this delightful, superbly researched biography, award-winning historian Kathryn Hughes pulls back the lace curtains to reveal the woman behind the book - Mrs. Beeton, the first domestic diva of the modern age - and explores the life of the book itself." A good read, and interesting picture of domestic reality.
