CGW Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Life is like a maze, and we often need guidance to ensure we reach our destination. God wants to guide man in the same way that he guides the fish in the ocean and the birds in the sky. Counselling is one of the most important parts of a Christian Minister s role, and it is a role that must be studied if it is to be performed to God s will. Giving guidance through Godly counselling is the best way to ensure that we all get through this maze together and enjoy the safe and rewarding life that God wants for us all. We all need peace of mind; this can only come from having a spirit which is free from guilt, anger, bitterness, sorrow and in tune with its maker. When you are at peace, you are indeed like a watered garden, your joy never fails. Merica Cox shares her experience of counselling within the Christian Ministry and shares with you her unique insights and expertise that will help you to give wise and valuable counsel to those who need it.
