

## Shakespeare and Minorities: An Annotated Bibliography, 1970-2000 (Hardback)

By Parvin Kujooory, Bruce T. Sajdak

Scarecrow Press, United States, 2000. Hardback. Condition: New. New. Language: English . Brand New Book. Whether you believe, like Gary Taylor, that Shakespeare cannot claim any unique command of theatrical resources, longevity, or reach of reputation, depth or range of style, universality or comprehensiveness, or you agree with Harold Bloom, who considers the Bard an international possession, transcending nations, languages, and professions, you will find Shakespeare and Minorities an indispensable guide to minority presence in modern Shakespearean interpretation in an age of competing critical philosophies. In one volume, Kujooory has contained warring critics-from feminists to Marxists, New Historicists to Cultural Materialists, Foucauldians to Bahktinians-and created a guide to the presence of minorities in Shakespearean criticism. Critical thought on women, blacks, Jews, homosexuals, slaves, and the oppressed and underprivileged is referenced in over 900 entries. Books, articles, book chapters, reviews, notes and critics correspondence are among the materials used by Kujooory as she sifts through various disciplines-history, sociology, philosophy, psychology, and anthropology, to name a few-to gather the most relevant and scholarly close readings of plays. A ground-breaking work, this book is a must-have for every reference library. Title, name, and subject indexes.
