In addition to the content of this book that has received many positive reviews, it also has exercises that can help you understand the writing process better, as well as links to additional materials online. It covers the writing process in more depth. Why have I written this book, and why do you need to read it? My name is Vlad Mackevic. I hold a first class degree. I have spent three years teaching academic writing to students. I published three academic papers before I graduated. However, the main reason why I have written this book is because I have been a student - as worried Fresher, a confident second year and a doubtful Finalist. I know what it s like. And I want to share my experience and the lessons I have learnt about academic writing with you. #1 Bestseller in the College and University Section! 4.7 Stars Overall Rating. Here s what this book will teach you: How to answer absolutely any essay (and exam) question How to create an easy-to-answer question for a research report or dissertation How to write critically, and what that actually means Why you need to write your introduction at the end How to reference How to get a first without suffering from overwork. The book outlines tried and tested tips, tricks and techniques that will help you obtain the highest score for your academic assignments. If you want to know how to write an essay that will help you get a...
