She teaches skills that open the doors to a powerful cocreative relationship between these two forces within us and guides us to use these tools to identify our desires, engage our dreams, and realize our destinies. Using her renowned system, which integrates the teachings of primal therapy, Tibetan Buddhism, Hinduism, bioenergetics, and other life-enhancing practices and philosophies, Aleta shares with us all of the tools necessary to live our ideal lives. This Life-Shift Tool Kit incorporates techniques for realigning the physical, emotional, mental, and spiritual bodies, inviting rather than pursuing success, recognizing the power of release, eliminating emotional blocks, and reorganizing energy centers within the body. Aleta also offers her expert techniques in regenerative organic breathing, physical and emotional release work, color...
