

Every Student s Handbook on Values, Sexuality and Drug Education in a New World Order (Paperback)

By Ikechukwu Odumodu

AUTHORHOUSE, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is an educational, instructional and self-help manual useful to young people coming of age in a society that is rapidly devolving into a strange and sinister New World Order. It alerts readers to the impending total collapse of values and sexual morality, and redefines a number of misleading core concepts which many presently hold as fact. It is unequivocal on issues such as the crisis of homosexuality, the invasion of the gaylien race, the religious cult war raging under the banner of the rainbow and the slogan diversity , and offers self-help tips for the homosexually challenged. Most appropriately, it concludes with information on life skills essential for escaping the rabid immorality advancing across the nations of the world today.
