Reviews

*This pdf can be worthy of a study, and a lot better than other. I am quite late in start reading this one, but better then never. You wont truly feel monotony at at any moment of your respective time (that's what catalogues are for regarding in the event you check with me).
(Prof. Douglas Grady)*

STEP ACROSS THIS LINE (PAPERBACK)

Vintage Publishing, United Kingdom, 2003. Paperback. Condition: New. Language: English . Brand New Book. The subjects of Salman Rushdie s collection of non-fiction range from The Wizard of Oz, U2, India and Indian writing, the death of Princess Diana, and football, to twentieth-century writers including Angela Carter, Arthur Miller, Edward Said, J. M. Coetzee and Arundhati Roy. In a central section, Messages from the Plague Years , Rushdie focuses on the fight against the Iranian fatwa, presenting texts both personal and political, which show for the first time how it was to live through those days. Rushdie s columns for the New York Times confront current issues - Kashmir, Northern Ireland, Kosovo, Islam and the West - as well as lighter topics such as reality TV, sport and sleaze. The book ends with the lectures that give it its title - Rushdie s exploration of the theme of frontiers: crossing them, breaking taboos, and - in the light of September 11 - the world of permeable frontiers in which we all live.
