Synthesis & Biological  
Evaluation Of Phthalazinone  
& Pyridazinone

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | The Phthalazinone and Pyridazinone synthesized by refluxing the mixture of appropriate acid and hydrazine in absolute alcohol and new pyridazinones were also prepared. The intermediate 1,4 ketoacids (beta-aryolpropionic acids) required for the synthesis of Phthalazinone and Pyridazinone (PH-1 to PH-12) were prepared by substituted aromatic compounds with appropriate acid anhydride and All the synthesized compounds were purified by chromatographic and crystallization methods and then identified by physical and their spectral characterization by...
