

Baghdad Cookery Book

By Muhammad Ibn Al-H Al-Baghdadi

PROSPECT BOOKS Dez 2005, 2005. Taschenbuch. Condition: Neu. Neuware - Al-Baghdadi's Kitab al-Tabikh was for long the only medieval Arabic Cookery book known to the English-speaking world, thanks to A J Arberry's path-breaking 1939 translation, reissued by Prospect Books in 2001 in Medieval Arab Cookery. For centuries, it has been the favourite Arab cookery book of the Turks. The original manuscript is still in Istanbul, and at some point a Turkish sultan commissioned a very handsome copy which can still be seen in The British Library in London. Charles Perry has re-visited the manuscript and discovered many possible errors and amendments that affect the interpretation of these essential recipes for the understanding of medieval Arab cookery. He has produced a new English translation incorporating these amendments and fully annotating his variations with the 'authorised' version. Scholars will now have a definitive text in an inexpensive and handy format. Englisch.
