

Introduction to the Outlines of the Principles of Differential Diagnosis: With Clinical Memoranda (Classic Reprint) (Paperback)

By Fred J Smith

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Introduction to the Outlines of the Principles of Differential Diagnosis: With Clinical Memoranda The number of works on medicine, and its various quasi-special branches, that claim the time and attention of over-burdened students and practitioners is so great that only one excuse should be offered for adding to it, viz. Either to say something new or to put forward a more rational and simpler arrangement of what is old. Very little that is new will be found in the following pages, but I claim that I have attempted to arrange the old, old phenomena of disease in such a manner as to Show more clearly their fundamental meanings and relationships. I have utilised the data of physiology, and the facts of pathological anatomy, as the source from which to draw inferences and deductions, which in their turn constitute a critical analysis of clinical symptoms I have endeavoured by this analysis to lead up to the underlying principles which govern disease as well as health. Once these principles, which are few in number, are recognised, bedside symptoms become merely illustrations of...
