By Vlad K Once

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.At least once in their life each person, questions why does he, or she, live? Some ponder why mankind actually exists, what is the purpose of personal existence. For all the similarity in the thought and cognition systems of the intelligent human, Homo sapiens, each individual will arrive at answers to these questions in very much their own, unique, way. But irrespective of the cultural, ethnic, political, economic, social, psychological and other specifics views and convictions, the human being is, first and foremost, a social phenomenon. As a result inquiries of a supra-individual nature need constant social scrutiny and comment; and answers should be true not just for today, but also for tomorrow at the very least. This book is an attempt to delineate the real, problem field, and the author has tried to set forth certain views and thoughts concerning current problems for humanity. Where necessary, he makes excursions into the past which, in conjunction with modern scientific methods, clearly focus on existing historical links between actual events in the past and current problems in contemporary life,...
