

Servant Leadership: A Guide for Aspiring Young Leaders (Paperback)

By Peter Fritz Walter

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Servant Leadership presents a novel approach to understanding and training the new servant leadership approach for top and middle management audiences. This guide to servant leadership addresses college students who are looking for a way to prepare for their upcoming exposure to the corporate environment. Many of the ideas the author comes up with in this guide are non-standard, and the result of his own creative thinking. The author's approach is original in the sense that he has enriched and transformed the traditional leadership paradigm through basic elements of timeless wisdom, taken from Zen and the I Ching, thereby expanding the paradigm beyond the borders of the strictly Western corporate culture, adapting it for international, and particularly, Asian audiences. This book doesn't offer quick fixes for developing leadership skills. It presents an approach to raise the awareness level of the whole of the person. The author contends that leaders must develop not only values like integrity and accountability, but must also expand their critical thinking ability, which is one quality of several for becoming accountable as a leader in the corporate...
