He s a cute, lovable, silly dog. However, he can also be overly zealous, curious to a fault, and he s rarely alone in these endeavors. His brother, Oliver, seems to always become a willing participant. It s the night before Christmas, and both Norman and Oliver have devised a scheme to see Santa when he arrives. The plan is to get to the observation deck on the top of the roof--it s the best place to view everything on the estate, including the night sky. The two managed to make it up to the roof, only to have Norman slip and slide down, landing headfirst in a snowbank. When Norman s found, it s determined by the family vet that he s in a coma. Norman is given the best medical treatment money can buy, and while in a coma, he begins to dream. To him, this is more than just a simple dream; it s an adventure!.
