Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Christina Channelle. Paperback. Book Condition: New. Paperback. 102 pages. Dimensions: 8.0in. x 5.2in. x 0.3in. Eighteen-year-old Jade Reamer is a tough girl with a reputation to prove it. She loves three people and three people only: her brother, her boyfriend, and her best friend. Everyone else is irrelevant. That is until Reed enters the picture again. Suddenly things start to spiral out of control and things aren't as they seem. Life is no longer simply black and white, love versus hate. Suddenly, it's hard to figure out which of those four letter words is true. Especially when she can't look away from those devil eyes. I love you. I hate you. I love you. I hate you. Which is it I don't even know anymore. Well, let's find out. This 15,000 word novella contains coarse language, angst-driven young adults, and a lot of pent-up frustration. Oh yeah. Plus love and a little bit of hate. (Mature YA Contemporary) This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
