Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Beginning a new series from a military science fiction master with over three million books in print. A young hero comes of age in the crucible of war and galactic struggle. When Allen Allenson, scion of a noble family that has fallen on hard times, gets a mission to roust the power-hungry Terrans from a wild star sector where they re encroaching, he jumps at the chance to show his individual worth, improve his family s fortunes and gather enough lucre to make a good marriage. But the wily Terrans are not so easily persuaded by a young colonial they think of as a rube. Worse, Riders the beings who naturally ply the wilderness between the stars, are playing their own deadly political games against the Terrans, against the colonials, and against one young greenhorn commander in particular: naf young Allen, whom they figure they can manipulate to do their bidding. The one thing nobody has counted on is the fact that Allen, while young and inexperienced, happens to be a hero in the making much to his own amazement. Vietnam veteran, former lawyer, former bus driver, and now bestselling author, David Drake tells a military story like no other.
