We designed this course for entrepreneurs and business owners who have started their business and are looking to grow their business exponentially within the next 12 months. The course is separated into 7 different modules with each part covering a specific area of your business. Each module represents a pillar and mastery of each pillar would help you in strengthening your business foundation. 1. Mindset: All of your actions originate from your thoughts so to change your results, you must change your mindset. 2. Bootstrapping: Using existing resources to scale and grow the company instead of relying on external resources. 3. Ideas: A great idea will sky rocket a company quickly to 7-figures and keep the business engine running. 4. Capital: In the world of business, capital represents the fuel for your business to run efficiently. 5. Growth: How to scale and manage your business to gain exceptional levels of income in the long run, continuously. 6. Cashing Out: How to sell your business at a higher price and with less risk to you and the buyer. 7. Lasting Wealth: Strategies on creating long-term wealth through passive income by putting your money to work.
