Two thousand years ago, the Power of God and the ability to perform powerful magic were revealed to the world. Protected by the Church, only the powerful magic-wielding Miracle Workers today know these divine secrets. Now, in an American Old West where gunslingers and magic are facts of everyday life, Angie Grissom and her Cajun partner, Andrew Carnation, hunt down criminals for cash with little more than their wits and brawn. But when the hunt for a simple thief puts her in the middle of a religious blood feud between two factions of fanatical Miracle Workers and a battle over an ancient book with ties to the very origin of their powers, will Angie's quick draw be enough? Action and adventure await in a Wild West that never was!.
