Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Shaka Zulu was successful in establishing Zulu dominance in southern Africa because he was a great strategist and military innovator. His political objective was to expand his territory with the unification of neighboring clans and war was the primary means used to achieve this. His employment oftactics to achieve strategic objectives is reminiscent of operational art as it relates to the arrangement of military forces in time, space, and purpose. In order to achieve his political objectives, Shaka reorganized his clan, developed an intelligence network, and employed new tactics and strategies in his quest to form a new system of war thus allowing him to change the society and the nature of warfare in southern Africa. Shaka became the military architect of southern Africa unification. Through the application of his innovative tactical actions and weapons, Shaka expanded his territory from a local district of a few hundred square miles to thousands of square miles. This was achieved by his unique ability to transform a small volunteer army of approximately 400 men to a standing army of 70,000 highly...
