

Code Name Bella Dawn (Paperback)

By George M James

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In Code Name Bella Dawn, we deal with money and in particular gold being used as a weapon of war. After all, South Africa has 74 of the world's gold reserves. It is a much more interesting topic than first realised. Like many others, I was concerned about perpetual small wars that benefit only the Merchants of Death and cause tremendous problems for the future generations. We love history in GMJ Books, we always go back in time to see what we can learn, and I made a few interesting discoveries. Did you know, for instance, that when Adolf Hitler seized Czechoslovakia he also got hold of their gold reserves and not only their tanks (excellent for the time - they formed a significant part of General Heinz Guderian's victorious panzer divisions in 1940) and formidable weapons industry? Yet, the gold bullion so stolen was in London, not in Czechoslovakia. The gold was kept in London to safeguard it against abuse. In later years, West Germany did the same. After the 1940 defeats, all of the UK's and the...
