Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Answers to Problems for the Second Edition of Dadourian s Analytical Mechanics Instructors may be divided into two groups according to their attitude toward answers. The group which is in favor of answers claims that these encourage the student to work out problems. The group which is Opposed to them claims that they serve to shift the emphasis from the proper solution of the problem to getting the answer and discourage the development of the student s confidence by making the agreement of his result with the answer the criterion for the value of his work.
