Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

In this brand new mystery series, adventure and danger constantly follow twin brothers Cody and Otis Carson, whether they are at home in their own small town or travelling to exotic places with their dad, a world-famous painter. In this first book in the series, the two brainy 12-year-old globetrotters, plus their equally clever cousin Rae Lee, go on a Caribbean vacation. They stay at their Aunt s tropical inn and know something is wrong the moment they walk in the door. A giant snake turns up on their aunt s bed, one of the rooms is violently ransacked and then a celebrity guest goes missing. Could a ghost be responsible, or pirates? The young detectives are determined to get to the bottom of things, before it s too late.
