

Lessons about God I Learned from My Cat (Paperback)

By Charles Caponi

Balm and Blade Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What have you learned from your cat lately? Human beings have a wonderful capacity to learn. Animals have a wonderful capacity to teach. It seems to me that pets and people are a match made in heaven. I've learned much from my cat, Kolby, about what is and is not important as we wind our way through this life to whatever great adventure awaits. This hilarious book features some of life's most basic lessons as taught through the antics of a rather corpulent, sedentary feline (my editor told me I should use more big words). Funny and yet insightful, you will love these inspirational stories as they weave in and out of the Bible in a way that makes the lessons found in the pages of that great book come alive.
