Especially the new national curriculum standards advocated reform of task-based teaching and evaluation. many teachers want to learn and apply new. practical evaluation method. This allows us to evaluate some of the basic concepts and practical methods of operation. as well as domestic and foreign research think teachers should be introduced so that teachers understand the evaluation and participate in the reform of the evaluation. Some teachers have to act. and has accumulated a lot of experience. To this end. we have prepared two booklets: task-based language teaching English teaching evaluation - behavioral performance assessment and student learning portfolios. The same time. we went to Zhejiang. Jiangsu and Shenzhen lectures and interviews with teachers. students and parents. also shot some task-based teaching and evaluation of classroom teaching video. Lectures and interview process. we were pleasantly surprised to find that the reaction of teachers. students and parents with the task of teaching and assessment reform philosophy is completely consistent. Their practice shows that the use of a new method of evaluation. to add new evaluation. such as the behavior evaluation of student learning portfolios. formative assessment in our primary and secondary schools is entirely feasible. We would like to thank the Zhejiang Provincial Education Department English...
