READING AND LANGUAGE LESSONS FOR EVENING SCHOOLS (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Reading and Language Lessons for Evening Schools All the lessons are based upon class-room experience in teaching the foreign-born. The subject-matter is familiar to students of evening schools. In all of the lessons talking the language precedes writing it. This textbook is designed for use in classes composed of students of several nationalities as well as in classes of but one nationality. It may also be used in classes of native-born adults who do not read and write English. Evening-school students wish to know the vernacular, both spoken and written, and are not concerned with language as a means of understanding literature. They study English for the sake of communicating with others, and need an accurate and fairly large vocabulary of words relating to common matters.
