Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Juan Moya Romero, Sara Lobon Ruiz (illustrator). Language: Spanish . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.El presente ensayo es el inicio de una investigacion que se centra en el estudio y analisis critico de la evolucion fisica y conceptual del espacio colectivo en la ciudad de Manhattan, desde su nacimiento como colonia hasta los albores de la emergencia urbana vertical de finales del siglo XIX. Manhattan se revela como el paradigma urbano americano que nace como modelo importado disperso de baja densidad revelando su estrecha relacion con la naturaleza y el paisaje, y que bajo unas condiciones especiales de contexto logra evolucionar hacia un modelo de alta compacidad y verticalidad como resultado metamorfico de ciertos aspectos intimamente relacionados con la identidad y cultura de sus primeros colonizadores.
