Excerpt from Good Hunting: In Pursuit of Big Game in the West It is interesting, also, to remember that the influence of the author has been constantly exerted in favor of the preservation of big game and the maintenance of national parks and forest reserves, which, in addition to other advantages, include the protection of these noble forms of animal life. This series of articles upon big-game hunting was written for Harper's Round Table, and published therein in 1897. The picture of ranch-life which forms the closing chapter appeared in Harper's Round Table in 1896. These articles are now presented together in book form for the first time after consultation with the author. For the title of the book and the proof-reading the publishers are responsible.
