Anness Publishing. Hardback. Book Condition: new. BRAND NEW, Find Out About the Sea: with 20 Projects and More Than 260 Pictures, Robin Kerrod, This title comes with 20 projects and more than 260 pictures. You can explore the murky and mysterious ocean depths, the sweeping tides and currents, icy Polar waters and warm, bright coral reefs with this fascinating fact file and learn-it-yourself book. You can discover the diversity of life in the sea - deadly sharks, dazzling fish and microscopic plankton. 20 amazing projects and experiments investigate the secrets of the sea - make waves in a tank, construct a rock-pool viewer, and build a sea-bird hide. Over 260 images include step-by-step photographs and explanatory illustrations. It is ideal for home or school use for 8- to 12-year-olds. More than 70 per cent of the Earth's surface is covered by water, forming a huge global sea. If you tasted the sea water, you would find that it was very salty, unlike the fresh water in rivers and lakes. The sea has many fascinating rhythms as its tides flow in and out, and it is teeming with life, from tiny single-celled creatures to gigantic whales. You can start discovering the...
