PublicAffairs. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 8.3in. x 5.4in. x 0.7in. Propaganda. Manipulation. Spin. Control. It has ever been thus or has it On the eve of the 60th anniversary of George Orwells classic essay on propaganda (Politics and the English Language), writers have been invited to explore what Orwell didntor couldntknow. Their responses, framed in pithy, focused essays, range far and wide: from the effect of television and computing, to the vast expansion of knowledge about how our brains respond to symbolic messages, to the merger of journalism and entertainment, to lessons learned during and after a half-century of totalitarianism. Together, they paint a portrait of a political culture in which propaganda and mind control are alive and well (albeit in forms and places that would have surprised Orwell). The pieces in this anthology sound alarm bells about the manipulation and misinformation in todays politics, and offer guideposts for a journalism attuned to Orwellian tendencies in the 21st century. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
