

Why Everything You Know is WRONG! (Paperback)

By Tom Jackson

Shelter Harbor Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Think you know it all? Of course you do! But there are a multitude of so-called facts that are nothing more than myths. For instance: Carrots improve your vision. Even though you've never seen a rabbit with glasses, this little tidbit is actually a trick played by the Royal Air Force in World War II. This book debunks many things we think are true but actually have no basis in fact. It also includes a bunch of weird but true stuff along the way such as: ☿ Lightning never strikes twice in the same place. ☿ Lemmings commit mass suicide. ☿ Using a cell phone at a gas station could cause a fire. ☿ Sugar makes kids hyperactive. And, as a special bonus, included are WRONG stickers that can be used to clarify things for your all-knowing friends and loved ones. Just because everyone thinks so doesn't mean it is true!.

Reviews

It is easy to read through easier to fully grasp. It had been written very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be the very best book for possibly.

-- Miss Marge Jerde

It is really a remarkable publication I actually have possibly study. It usually is not going to cost excessive. It's been written in an exceedingly basic way and is particularly only right after I finished reading this publication through which basically transformed me, affect the way I think.
