

Vietnam: The Way It Really Was. (Paperback)

Filesize: 6.04 MB

Reviews

This book is fantastic. It is really simplistic but surprises inside the 50 percent of the publication. I am just happy to inform you that here is the very best publication i have read through inside my individual life and can be he greatest book for actually.
(Everette Luettgen)

VIETNAM: THE WAY IT REALLY WAS. (PAPERBACK)**DOWNLOAD**

Joshua Tree Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Paul King was seventeen when he joined the Army. As most enlistees, he really had no idea what he was about to experience. All he had was a desire to serve his country. He would encounter some of the most trying conditions. His memoir is often raw and brutally honest, both about the people and institutions he served, but more importantly, how he personally acted under the stress and circumstances of his experience in Vietnam. Being a tank commander and combative, he was often reduced to a private for his misdeeds --only to be promoted again. At one point, his only true companion was a precious dog, Shot-See, who saved his and his men s lives many times over by alerting them to booby traps and hidden enemy soldiers before they reached them. With Shot-See s death, Paul faced the danger of war head on as a designated sniper. He was released in dangerous areas with no backup, no communications, and no identification. His mission was to disrupt the Vietnamese by himself. This is a story of a brave man who faced death and lived to tell about it. About the Author Paul King After Paul came back from Vietnam, he still had two years left in the military. Those two years were the hardest because Vietnam had changed him forever. After those two years, he got out of the military and entered civilian life, but he could not hold a job. He tried for four years and went from one job to the other. He didn t understand why he had so much trouble adjusting. After the four years, he went back into the military where he stayed for two years. However,...
