

Arithmetic of Creation (Paperback)

By Arthur Eedle

Lulu Press Inc, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This little book by Arthur Eedle explains how a simple arithmetical sequence is at the root of astronomical observations at one end of the scale of size, down to what scientists have found in sub-atomic particles. Suspended midway between these magnitudes the human eye is able to see the delights of simple field work which children can enjoy. The visual beauty of all this is captured in the book.
