STEP WRITE UP

Paperback. Book Condition: New. Paperback. 122 pages. Step Write Up provides hands-on exercises for teachers and for any workshop leader endeavoring to bring 21st century collaboration and writing skills into the classroom. To accomplish this, the authors have assembled lessons that can be modified for your own specific personalities, uses, and grade levels. Some are icebreakers that are aimed at promoting communication and collaborative teamwork. Some are lessons that provide for individual creativity and then lead into opportunities for group sharing and critiquing. And the authors go even further, showing how the products of these creative efforts can even carry us into areas of initiative and entrepreneurialism. There is a short lead-in to many of the lessons. In each of those, they refer to New York State Curriculum Standards that the content of the lesson addresses. About the Authors. . . From the submarine shipyards of Electric Boat in Groton, Connecticut, and the clubs of Rodeo Drive, to the forges of Pennsylvania and the electronics manufacturers of Massachusetts, Nikoo and Jim McGoldrick have spent their lives gathering material for their novels. Nikoo, a manufacturing engineer, and Jim, who has a Ph. D. in sixteenth-century British literature, have written twenty-seven novels and two works of nonfiction, and they are presently focusing their imaginations on producing romantic suspense thrillers with a decidedly technological slant. These prolific and popular authors have been the recipients of numerous awards for their work. They now reside in Connecticut. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
