DOWNLOAD

The University of Michigan Press, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Listening for Academic Purposes is an Introduction to English for Academic Purposes in Listening and contains six two-part Lectures on the topic within a field of academic study: architecture, marketing, earth science, history, chemistry, and line arts. The lectures range from three to four minutes in length and are provided on the audio CD packaged with the book. The exercises practice an array of important academic listening strategies, including note-taking. Each unit includes activities based on the in-class interactions students will encounter in academic settings. Six video scenes (available on the companion website) model student behavior and incorporate key words and phrases typically used when working in groups.
