ABRACADABRA CELLO BEGINNER: PUPIL'S BOOK AND AUDIO CD

Bloomsbury Publishing PLC. Mixed media product. Book Condition: new. BRAND NEW, Abracadabra Cello Beginner: Pupil's Book and Audio CD, Frankie Henry, Katie Wearing, This pupil's book provides a lively and comprehensive introduction to the very first steps of playing the cello. It is part of the Abracadabra Strings Beginners series, a new series of string tutors designed to precede our existing Abracadabra books. All the titles in the series work in conjunction with each other, making them ideal for ensemble, group and whole class tuition. Used alone they remain perfect for individual lessons. The book contains activities, games and pieces that teach the fundamentals of playing the cello : good posture (with and without the instrument), bow hold, finger position and pitch awareness as well as developing rhythm and notation reading. The CD also aids pitch development with performances of the pieces and backing tracks to motivate pupils to practise pieces and activities outside of their lessons. The basics are constantly reinforced and revisited with the pupils building up to 'performance pieces' that combine and showcase all of the skills they have developed.
