### **Reviews**

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Excerpt from Abraham Lincoln, Vol. 2 of 2: A New Portrait I had hardly begun the study of Abraham Lincoln when I found periods of his life entirely unaccounted for among the documents published in the standard editions of his works. I found a great many lapses, omissions of comment on questions of momentous import, questions which I felt he must have considered, and about which he must have spoken. Every new discovery began to fill these gaps and explained his conduct in certain situations, and made futile any charge that he was at any time silent on the important questions of the hour.
