Rules were made to be broken, right? Eight weeks ago I signed a contract. It seemed like a good idea at the time: a handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules, though lots of them actually. I had to follow the script and avoid dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men last year, it wouldn't be hard to live up to my end of the bargain. or so I thought. Then I realized the deal I'd made was with the devil. and I was in love with his dirty-talking brother. Author's note Throb is a full-length standalone audiobook.
