## CORPORATE STRATEGY

To download **Corporate Strategy** eBook, remember to follow the web link below and download the file or gain access to other information which are have conjunction with CORPORATE STRATEGY ebook.

Tata McGraw-Hill Education Pvt. Ltd., 2002. Hardcover. Book Condition: New. First edition. A One-Volume, MBA-Level Course on Creating--and Implementing--Powerful Corporate and Divisional Strategy Decision makers in today`s evolving corporate environment often must formulate strategy on two different levels. Corporate-level strategies must focus on a firm`s overall goals and objectives. At the same time, division-level strategies require targeted decision-making to accomplish more focused, distinct tasks and responsibilities. Corporate Strategy outlines and explains a working model for addressing the complex issues of corporate as well as divisional strategy. This straight-talking guide encompasses: \* The Strategic Planning Process \* Productivity Improvement \* Valuation of Acquisitions and Divestitures \* Restructuring for Shareholder Value For all businesses, the strategic planning process begins with executives devising strategies for growth, then managers using those strategies to approach operational issues. Corporate Strategy addresses both factions--and provides hands-on answers to the strategic issues and dilemmas faced every day by executives and managers in multidivision companies. Look to The McGraw-Hill Executive MBA Series for straight-talking, technique-filled books, written by front-line executive education professors and modeled after the programs of top business schools. Other titles in the series include: \* Finance & Accounting for Nonfinancial Managers \* Mergers & Acquisitions \* Sales Management In today`s increasingly streamlined corporate environment, relationships between parent corporations and their subordinate divisions have been transformed. The inherent values of product and service diversification--once considered fundamental strategic requirements--are being questioned, and in many cases set aside, in favor of more focused, centralized structures. Corporate Strategy bridges the gap, providing strategic guidance for the fundamentally linked--yet functionally separate--corporate and divisional factions. Mirroring the tactics, knowledge, and hands-on instruction found in today`s finest business schools and executive education seminars, this insightful book builds a step-by-step model for setting short- and long-term corporate goals and objectives, tackling divisional strategic issues,...
