Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BATTLE ORDERS (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Battle Orders Three years ago, when I first published these pages, I did so with some trepidation, knowing what a difficult task I had undertaken. Today I know that I was on the right track. The approval with which my work has been received, and the kindness with which its shortcomings have been overlooked, satisfy me that there was a real demand for it. This encourages me to act upon the suggestion of my publishers, and to place before military readers a new edition, revised and partly rewritten. The adoption of the new Field Service Regulations, and the amendment of other manuals, made it necessary to introduce a number of new forms and change many expressions. The increase in importance of machine guns and telephones rendered it desirable to give them consideration. The introduction of the new kitchen wagons placed the whole matter of subsistence on a new basis; it was impossible to omit mention of them, and of the duties of commissary Officers.
