Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Oh, Dainty Triolet is a compilation of three of Edward C. Patterson's most popular works into an Omnibus Edition comprising Cutting the Cheese, Bobby's Trace and No Irish Need Apply. Cutting the Cheese is a comic romp through the world of gay activism. Bobby's Trace is a ghost story with an unusual twist. No Irish Need Apply is a teenage coming of age story in a world fraught with prejudice. All three novellas have been revised and expanded for this edition and are still offered separately as they are a triptych in three different genres. What reviewers say about these three works: Cutting the Cheese: Edward C Patterson offers a hilarious and engaging look into the challenges and opportunities one faces when coming out. - Todd Fonseca, Bobby's Trace: A beautifully drawn exploration of a young man's grief at the loss of his partner and his eventual resumption of life. Quite a few unexpected thrills and chills. - Sandy Nathan, award-winning author of Numenon No Irish Need Apply: It's not often these days that you come across writing that possesses both the literary beauty of a classic poem with the depth and substance of a contemporary tale. It's a story that lives and breathes. - Gregory Bernard Banks, Wheelman Press.
