## THE LOST DETECTIVE: BECOMING DASHIELL HAMMETT

Bloomsbury, New Delhi, 2015. Hardcover. Book Condition: New. 214pp. Before he became a household name in America as perhaps our greatest hard-boiled crime writer, before his attachment to Lillian Hellman and blacklisting during the McCarthy era, and his subsequent downward spiral, Dashiell Hammett led a life of action. Born in 1894 into a poor Maryland family, Hammett left school at fourteen and held several jobs before joining the Pinkerton National Detective Agency as an operative in 1915 and, with time off in 1918 to serve at the end of World War I, he remained with the agency until 1922, participating alike in the banal and dramatic action of an operative. The tuberculosis he contracted during the war forced him to leave the Pinkertons--but it may well have prompted one of America's most acclaimed writing careers. While Hammett's life on center stage has been well-documented, the question of how he got there has not. That largely overlooked phase is the subject of Nathan Ward's enthralling *The Lost Detective*. Hammett's childhood, his life in San Francisco, and especially his experience as a detective deeply informed his writing and his characters, from the nameless Continental Op, hero of his stories and early novels, to Sam Spade and Nick Charles. The success of his many stories in the pulp magazine *Black Mask* following his departure from the Pinkertons led him to novels; he would write five between 1929 and 1934, two of them (*The Maltese Falcon* and *The Thin Man*) now American classics. Though he inspired generations of writers, from Chandler to Connelly and all in between, after *The Thin Man* he never finished another book, a painful silence for his devoted readers; and his popular image has long been shaped by the remembrance of Hellman, who knew him after his literary reputation had...
