

## The Porcelain Painter s Son: A Fantasy (Paperback)

Filesize: 2.74 MB

### ***Reviews***

*It is in a single of the most popular ebook. Better then never, though i am quite late in start reading this one. You will not feel monotony at at any moment of your own time (that's what catalogs are for about when you request me).*

*(Alphonso Flatley IV)*

**THE PORCELAIN PAINTER S SON: A FANTASY (PAPERBACK)****DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The contents of this artistic little book proves that the pen that wrote The Grounds of a Homeopath s Faith, the most powerful argument in favor of Homoeopathy ever published, has not lost its old-time power or charm. The Porcelain Painter s Son is a Fantasy, and, something more, much more - it is the spirit of Homoeopathy and the great founder, and every reader will read and re-read it and arise with a truer and higher conception of what Homoeopathy really is. -The Homeopathic Recorder, Vol. 13 This is a companion volume to The Grounds of a Homeopath s Faith, and an appendix with the title of Under which King Bezonian. The author styles it a fantasy on homeopathy and Hahnemann, yet deep down will be found a golden vein of pure science, that will give the reader a new inspiration into the early life of the Sage of Coethen. But, whether we agree with the author or not, the entire homeopathic profession the world over, will sincerely regret after reading this little book - especially Under which King Bezonian, - that as yet only these two small volumes have appeared from the most trenchant pen which our school has produced in this century. Oh! that we had a little more such inspiration and admonition as this on page 102: When the scientific homeopath-that most perilous of wild fowl assails Hahnemann s teachings in the windy medical journal, or on the floor of the windier medical society, how many homeopathic students are qualified to judge the critic and the criticism? Indeed, I may ask, how many physicians? How many of either have ever read the Organon; how many have...
