Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Inexpensive Basketry When this material first appeared as a series of articles in the manual training magazine it attracted immediate attention. The continued interest and repeated inquiries more than justify its revision and publication in this more convenient form. From a technical point of View the series of photographs constitutes a rather unusual achievement in the attempt to illustrate a sequence of manipulative operations. As has been remarked of them, they are illustrations which really illustrate. For those who wish to take up the subject for further study, a bibliography is added which is believed to be one of the best in form available for general distribution. - William T. Bawden. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
