DURABLE RESISTANCE AGAINST STRIPE RUST (PUCCINIA STRIIFORMIS) IN WHEAT

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Characterization of Pakistan Wheat varieties for Durable Resistance against stripe rust using molecular marker | Stripe rust is an important foliar disease of Wheat in different wheat growing areas in Pakistan. Different protective measures such as fungicides, cultural or agronomic practices do not ensure long- lasting control. Genetic resistance is preferred over other strategies. Of the genetic resistance, durable resistance (race-nonspecific) is considered a sustainable measure globally. Our study included seedling testing, field evaluation,...
