NAUGHTY PICTURES BY THE OLD MASTERS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Readers, did you know that couples engaging in sexual intercourse were erotica images Rembrandt made during his lifetime? Although it represented but a very small portion of his total output, he intended to sell them but failed to do so because the public wasn't ready for the risqué subject matter. After his death, they were sold off discretely to various buyers and over time found their way to museum collections. I am an artist living and working in New York City and I hope you will enjoy reading my book, Naughty Pictures by the Old Masters. I started back in April, 2012 to gather research on the artists who created the most provocative of erotic images and include them in my book. Their stories, such as Rembrandt, revealed so much about their daily interaction in the real world, e.g. what influenced the artist to create his erotic art, what was the public's reaction to any overt eroticism, and were there any artists whom he influenced to create erotic art. As a follower of art history, I find it fascinating to see how their accounts become embedded in the creation of their work and in their interpretations of the theme of love and sex. The artists' personalities are the foundations for their creative endeavor but so is the culture and epoch that they are born into. An artist from the Renaissance period depicted woman differently from a twentieth-century Dada artist. As individuals they responded differently to eroticism and they each have their preferences whether it's in a good or bad way. The eroticism can be gentle or savage, i.e., a couple kissing or a rape scene,...
