

Vollenhoven s Problem-Historical Method: Introduction and Explorations (Paperback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

VOLLENHOVEN S PROBLEM-HISTORICAL METHOD: INTRODUCTION AND EXPLORATIONS (PAPERBACK)

Dordt College Press, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Brill gives a concise overview of the Dutch philosopher Dirk Vollenhoven s problem-historical method and its influence on Reformational philosophy. Brill first highlights changing historical periods, including the internalizing or subjectivizing of the norms lying outside of, or behind, the cosmos. Part Two reviews four models of historiography, namely those of Jan Hendrik van den Berg, Michel Foucault, Thomas Kuhn, and Vollenhoven. Then he explains Vollenhoven s distinctions between the so-called types or ontologies as different traditions of thought. Part Four gets at the question, What must I do? Philosophers over the course of time have answered this question differently and taken different positions regarding the pertinent norms and criteria. Brill considers the place of religion and time-currents in this process.
