## Advanced Exercises in Practical Physics (Classic Reprint)

By Arthur Schuster

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Advanced Exercises in Practical Physics This volume is intended for students who, having obtained an elementary knowledge of experimental work in Physics, desire to become acquainted with the principles and methods of accurate measurement. The large and increasing number of students, who have to be taught simultaneously in a Physical Laboratory, renders it necessary that the instructions supplied should be fairly complete; and that the exercises should be of such a nature as to enable the teachers easily to check the accuracy of the results obtained. The exercises described in this volume have been worked through by several hundred students of the Owens College who were preparing for the ordinary degree of B.Sc., and the experience thus gained has been utilised to improve the descriptions and methods adopted. It is hoped therefore that the volume will also prove useful in other laboratories. We have not aimed at completeness, being convinced that a student learns more by carefully working through a few selected and typical exercises, than by hurrying through large number, which are often but...
