Michael Archer died at birth so that he could again be slain ages in the future to end a war that began at the creation of the universe. He had been groomed from birth to save the Pueri and prevent Armageddon. The most potent warriors in the universe had been sent to earth by Iber to correct the sin he had committed. The only condition set upon them was that they must go unarmed into battle, for if the brother of Iber knew of their coming, he would destroy all. In the conflagration on the slopes of Mount Pele, Tsefal, in an act of revenge, has destroyed the Pyemia Horde. Hairaza, the companion of Michael, has been kidnapped by Akem Manah in his quest to rule Vor and take Seraphim for his mate. On his quest to find Hairaza, Michael rescues Elush from the Selef of Kiwidinok. Together they journey to DeathGate, learning more of the powers that are the driving forces behind the eternal war. The Yas Uzumati, led by Bellum, launch their expected Northern War. Michael and Elush flee...

Reviews

An exceptional publication as well as the font employed was exciting to see. It was actually written extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This ebook could be worthy of a read through, and far better than other. I am quite late in starting reading this one, but better than never. I realized this publication from my dad and I advised this publication to learn.
